

REMARKS

Claims 1-12 are in the application as filed. The patent office has restricted the application under 35 USC 121 to two groups as follows:

1. Claims 1-9 and 11-12, drawn to a composition
2. Claim 10, drawn to a method

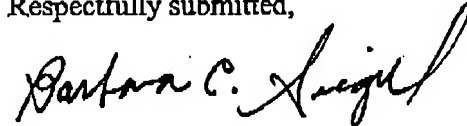

Applicants are elect to prosecute Group 1. The species selected is as follows:

Functional material selected from silver, carbon, graphite or mixtures (Claim 2).

Organic solvent: carbitol acetate (Claim 8).

The claims that read on the above species are: 5, 6, 7, 9, 11 and 12.

Respectfully submitted,

Barbara C. Siegel
